# A Vital Decision That Will Lead You

## To A Great Life Changing Experience!

"Father God, I come before you in Jesus' name. I ask you to reveal yourself to me, come into my life, forgiving my sins by cleansing me with your blood. Make me a child of God; and write my name in your Book of Life. Believing Jesus died for me, and that you raised him from the dead, I now confess Jesus Christ to be the Lord and Master of my life. I command Satan, sickness, poverty, and disease to leave me now, in Jesus' name! Lord, now give me your promised free gift of eternal life, and fill me with your Holy Spirit so I can follow and obey you. Thank you for hearing and answering this prayer as you promised you would!"

### The World's Most Important Prayer

And he himself has promised us this: eternal life - 1 Jn. 2:25 LB

True Christianity is not a religious philosophy involving ritual traditions and Man's theology. But **True Christianity** is a very personal **Love Relationship** with God the Father, His Son, The Lord Jesus Christ, and the Person of the Holy Spirit.

This "Love Relationship" involves a **Deep Union and Communion** between our awakened Spirit and the Spirit of God.

**God Does Not** want us to come to Him because of fear of punishment or promise of reward, but primarily because **we long for deep intimate fellowship with Him.**

Secondarily, we need to come to Him because we need forgiveness for our sins, and Satan's ownership over our lives broken. God longs to have this "Deep, Spiritual Love Relationship" with you Now in your present life. God awaits your response. Start this **memorable experience** now by praying:

**True Christianity is falling in love with the Lord Jesus Christ and being filled with the Person of the Holy Spirit.**

It involves experiencing HIS Radiant Love in a very personal way.
