"Father God, I come before you in Jesus' name. I ask you to reveal yourself to me, and come into my life, forgiving my sins by cleansing me with your blood. Believing Jesus Christ died for me, and that you raised Him from the dead, I now confess Jesus Christ to be the Lord and Master of my life. I command Satan to depart in Jesus' name. Lord, now give me your promised free gift of eternal life, writing my name in your Book of Life. Fill me with your Holy Spirit so I can follow and obey you. Cause me to know you personally, and to experience your abundant life. Thank you for hearing and answering this prayer as you promised you would. Amen."

So, then, where is this God of Love and Peace in your life - on the inside; or, just on the outside? Please pray now and invite Him in by praying this World's Most Important Prayer, aloud and from your heart:

When Army psychiatrist, Major Nidal Milik Hasan gunned down unarmed fellow soldiers with two handguns, was he merely overstressed, as the mainstream media would have you believe, from his counseling combat soldiers returning from Afghanistan and Iraq; or, having converted to the religion of Islam, was he following the tenants of his belief's sacred book, the Koran, when he shouted "Allu Akhbar" ("Allah is great!") during his premeditated killing spree?

Major Hasan had been attending a mosque in Virginia where some of the 9/11 terrorists had also been worshipping. According to the political watchdog group *Judicial Watch*, the FBI intercepted emails between Hasan and an extremist Iman (mosque leader) *Anwar al-Awlaki*, an al-Qaeda recruiter, who was a spiritual advisor to a number of these 9/11 hijackers. *Judicial Watch* calls this Iman "A most significant proponent of Jihadist terrorism." U.S. Senator Joseph Lieberman labeled the shooting as "the most destructive terrorist attack on America since September 2001." Anti-terrorism officials say there are clear signs of accelerated radicalization among American Muslims partially fueled by English-language propaganda on the internet, according to a major newspaper report. Even Homeland Security Secretary Janet Napolitano, whose biggest concern thus far has been preventing a wave of anti-Muslim sentiment in the United States, recently acknowledged the danger. Like violent extremism abroad, Napolitano admitted, home-based terrorism will be part of the "threat picture that we must now confront."

Major Hasan, a practicing Muslim ("one who submits"), gave a lecture to other psychiatrists about his religion, stating that non-believers would be sent to hell, decapitated, set on fire, and have burning oil poured down their throats. In this lecture, Hasan justified *suicide bombings*. He wrote a paper on Islam ("submission" to the will of God) posted on the internet by the Washington Post. The last page is a quote of Muslim 1:53: "I have been commanded to fight the people until they testify that there is no deity worthy of worship except Allah and that Muhammed is the messenger of Allah, establish the prayer and pay the Zakah."

The Time / Life book *The World's Great Religions* (1958) states (p.79) that each true Moslem...is guided in his every daily act by the word of God." The book states (p.81) that all the 114 chapters or *Suras* of the Koran came to the *prophet* Mohammad as *revelations from God*; and (p.81), "it is the Koran which still forms foundation stone of life in all Moslem lands."

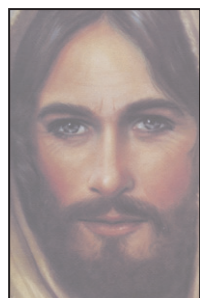

Newspaper columnist Friday Ghitis points out (Nov. 18, 2009) that it is an "undeniable fact that an overwhelming majority of Muslims, far in excess of 99 percent, are not terrorists or prone to terrorism." But, "a large proportion of terrorist attacks are, in fact, carried out by muslim extremists"; and, sadly, the majority of victims in Muslim controlled countries are Muslim civilians. A Judicial Watch investigation revealed that "in America there are deep connections between 'mainstream' Muslim organizations (like the Council for American Islamic Relations) and Islamic terrorism."

In England, the Islamic birthrate is so much higher than that of the British (8 children per family verses 1.8 for an English family) that in 25 years they will be strong enough politically, to elect a Muslim prime minister there. According to Walid Shoebat (*God's War on Terror*, p.467), worldwide, Islam, primarily due to birthrate, is the fastest growing religion. In Iran, the predominantly Shiite Muslims, following the dictates of their Supreme leader, Ali Hoseyni Khamenei, Ayatollah, politician, and cleric, want to impose *Shia Law under the coming Mahdi / worldwide calip [Antichrist?]* on the rest of the world. They may soon have nuclear equipped Sahab-3 missiles to carry that out. (See the book *Atomic Iran - Countdown to Armageddon* by #1 New York Times bestselling author Dr. Mike Evans, *Time Worthy Books* 2009).

Websters Collegiate Dictionary defines *hoodwink*: 1. To blind by covering the eyes. 2. to cover; hide, as by dissembling. 3. to deceive; impose on. **Where we have been hoodwinked is in not realizing that the underlying "ideology of violent political and religious extremism" (also known as Islamic Jihad or Holy War), that may have motivated major Hasan, has its base in the Koran itself!**

Consider the following three shocking *revelations* found in the Koran:

1. Islam is **not** a *Religion of Peace*.
2:191 - "Kill the disbelievers wherever you find them. Slay or crucify or cut off the hands and feet of the unbelievers that they be expelled from the land with disgrace, and that they shall have a great punishment in the world hereafter. Strike off the heads of disbelievers after making a great slaughter among them."
9:124 - "Believers, wage war against such infidels as are your neighbors, and let them find you rigorous."
2. Allah describes himself as *the greatest of all deceivers*. 3:54; 8:30; 10:21; 13:42; 27:50.
3. There is NO record of Muhammad ever teaching, preaching, or writing about the love of God. The Quran never mentions the love of God, neither is their any emphasis in Islam, the Quran, or the teachings of Muhammad about God's love for man or vice versa.

Is there a God and a Prophet of Peace, Love, Joy, and Good Deeds? Yes! And He longs to live in you and be your intimate Friend!

In the Holy Bible it states "God is Love" (I John 4:8); and, "For we know how dearly God loves us, because He has given us the Holy Spirit to fill our hearts with His love." (Romans 5:5b NLT).

Jesus Christ, along with His sayings, is honored as a Prophet
