Subject: Re: remake of What Fills the Void?

Dear David,

It's hard to tell you how much I appreciate all the work you did to reproduce the tract What Fills The Void tract for me. I received your 12/23/2015 letter and the sample tract. Yes I'll purchase 200 to 300 at \$0.22 each, whatever you can get in a USPS \$5.90 flat rate box. I don't need any specific church information on the tract. If you need to call me...

Your brother in Christ,  
Doug

**Great Material**

Hi David and Harriet,

I just wanted to shoot off a quick note to let you that the quality of the printed materials, gospel tracts and handouts in Spanish were excellent.

The hosting Foursquare church there in Barrencabermeja, Columbia loved them and gladly received them, passing them out and using them in a huge downtown city square outreach we had. Over the course of a few days we led over 300 people to Jesus. We feel that your gospel tracts played a part in drawing those people and reinforcing their decisions with those quality handouts.

Thanks again,

Sincerely,  
Pastor Kel Slater  
along with the Gary Oates  
Ministry Team
