Background - About 1984 I joined an outreach organized by chaplain of the Pasadena Rose Parade, Sandra Berry Young. I was very impressed with Mel Gerrard's Know Your Future tract booklet. Having learned all aspects of printing, I laid the booklet out on my computer for a two color printing press, in English, Spanish, and French. In 2004 my friends and I made 30,000 Spanish booklets for The Free Tract Society for Cuba. I sent a one color version to South Africa. My wife and I went to the printing company in Palm Desert, CA where the graphic artist put all the document parts for various Mel booklets on a thumb drive.

About 2017 The Lord gave my wife a “word of knowledge” That something had changed in the Wayside Harvester's organization - Mel, the booklet author had died. We called, and his son Andy confirmed his father had passed, their printer's shop had burned down, had not contacted them, and they needed more booklets printed. We took over their printing.

Latest Printing - This year, My wife said we needed to buy more paper for this yearly printing, the largest job we do. We bought a pallet of paper and I was set to order ink and printing consumables the next day. I did a quality check on the English and Spanish films and metal press plates, updating some of the signatures. Mel's son Andy called, and I said with excitement, “We're all set to print another batch of your booklets. What do you want?” It took about two month to make 95,000 Spanish booklets. Four machines broke down during that time. Due to high shipping costs, we rented a Uhaul trailer and delivered 19 boxes of booklets to Palm Springs, CA. Evangelest David and Rev.
